The Company will issue rights (the "Rights") to existing eligible shareholders at the close of business on the record date of August 5, 2020 (the "Record Date").

Shareholders will receive 0.309406057 of a Right for each common share of the Company (each a "Share") held. One whole Right will entitle the holder to subscribe for one Share upon payment of the subscription price of C$1.00 per Share (the "Basic Subscription Privilege"). All fractional Rights will be rounded down to the nearest whole number of Rights.

Shareholders who fully exercise their Rights in accordance with their Basic Subscription Privilege will also be entitled to subscribe for additional Shares in the Rights Offering, if available as a result of unexercised Rights prior to the Expiry Time (as defined below), subject to certain limitations set out in the Company's rights offering circular (the "Circular").

The Rights will trade on the TSX Venture Exchange under the symbol FISH.RT commencing on the first trading day prior to the Record Date and until 9:00 a.m. (Vancouver time) on September 1, 2020. The Rights will expire at 2:00 p.m. (Vancouver time) on September 1, 2020 (the "Expiry Time"), after which time unexercised Rights will be void and of no value. No fractional shares will be issued under the Rights Offering.

A rights offering notice and rights certificate will be mailed to each registered shareholder of the Company resident in Canada as at the Record Date. Registered shareholders who wish to exercise their Rights must forward the completed rights certificate, together with the applicable funds, to the rights agent, Computershare Investor Services Inc., on or before the Expiry Time. Shareholders who own their Shares through an intermediary, such as a bank, trust company, securities dealer or broker, will receive materials and instructions from their intermediary. Shareholders not resident in eligible jurisdictions may be able to participate in the Rights Offering where they can establish that the transaction is exempt under applicable legislation. If you are a holder of Shares and reside outside of Canada please review the Notice of Rights Offering, Circular and Notice to Ineligible Shareholders to determine your eligibility and the process and timing requirements to receive and, or, exercise your Rights. The Company requests any ineligible shareholder interested in exercising their Rights to contact the Company at their earliest convenience. Further details of the Rights Offering are contained in the Circular, which has been filed on SEDAR under the Company's profile at www.sedar.com.

Neither the Rights being offered or the Shares issuable upon exercise of the Rights have been or will be registered under the United States Securities Act of 1933, as amended (the "U.S. Securities Act"), or any state securities laws and may not be exercised, offered or sold, as applicable, in the United States or to or for the account or benefit of a person in the United States or a U.S. Person (as defined in Regulation S of the U.S. Securities Act) absent registration or an applicable exemption from the registration requirements. This news release shall not constitute an offer to sell or the solicitation of an offer to buy the securities of the Company. There shall be no offer or sale of these securities in any jurisdiction in which such offer,
solicitation or sale would be unlawful prior to the registration or qualification of such securities under the laws of any such jurisdiction.

The Company currently has 58,175,978 Shares issued and outstanding. If all of the Rights issued under the Rights Offering are validly exercised, an additional 18,000,000 Shares would be issued. The Company intends to use the net proceeds of the Rights Offering to partially repay the loan owing to Wexford Catalyst Trading Limited (“WCT”) and Wexford Spectrum Trading Limited (“WST”) previously announced on August 19, 2019 and for general working capital purposes.

This news release shall not constitute an offer to sell or solicitation of an offer to buy the securities of the Company. There shall be no offer or sale of these securities in any jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification of such securities under the laws of any such jurisdiction.

Standby Purchase Agreement

In connection with the Rights Offering, the Company has entered into a standby purchase agreement dated the date hereof (the “Standby Purchase Agreement”) with WCT and WST (together, the “Standby Purchasers”), the Company’s controlling shareholders. Each of the Standby Purchasers have agreed, subject to certain terms, conditions and limitations, to fully exercise its Basic Subscription Privilege in respect of any Rights it holds, and, in addition thereto, to purchase from the Company any additional Shares equal to such Standby Purchaser’s Allocation Percentage (as defined below) of the number of Shares, if any, available as a result of any unexercised Rights under the Rights Offering (the “Standby Commitment”), such that the Company will, subject to the terms of the Standby Purchase Agreement, be guaranteed to issue 18,000,000 Shares in connection with the Rights Offering for aggregate gross proceeds of C$18,000,000.

Pursuant to the terms of the Standby Purchase Agreement, the Standby Purchasers’ allocation percentages are as follows: 40% in respect of WST and 60% in respect of WCT, as such percentages may be varied in accordance with the terms of the Standby Purchase Agreement, but provided that the aggregate Allocation Percentage of all the Standby Purchasers shall at all times equal 100% (the “Allocation Percentage”). Further details of the Standby Purchase Agreement are contained in the Circular.

Early Warning Disclosure

Wexford Capital LP is providing the following additional information pursuant to the early warning requirements of applicable Canadian securities laws:

The Standby Purchasers are private investment funds managed by Wexford Capital LP. Immediately prior to entering into the Standby Purchase Agreement, the Standby Purchasers beneficially owned an aggregate of 33,547,397 Shares, representing approximately 57.67% of the issued and outstanding Shares.

Assuming none of the holders of Rights (other than the Standby Purchasers) take up their Basic Subscription Privilege and the Standby Purchasers provide the Standby commitment in full, the Standby Purchasers would acquire an aggregate of 18,000,000 Shares in connection with the Rights Offering at a cash purchase price of C$1.00 per Share, for aggregate gross proceeds of C$18,000,000. In that case, immediately following closing of the Rights Offering, the Standby Purchasers would beneficially own an aggregate of 51,547,397 Shares, which would represent approximately 67.67% of the issued and outstanding Shares, an increase in the Standby Purchasers’ aggregate shareholdings of approximately 10%.
The Shares are being acquired for investment purposes. The Standby Purchasers may from time to time acquire additional securities, dispose of some or all of the existing or additional securities, or may continue to hold the Shares.
