## Sailfish Unveils Dividend Policy and Declares Inaugural Quarterly Dividend

**Tortola, British Virgin Islands, September 8, 2021** – Sailfish Royalty Corp. (TSX-V: FISH, OTCQX: SROYF) (the "Company" or "Sailfish") is pleased to announce that the Board of Directors have adopted a dividend policy for the Company under which the Company intends to pay quarterly dividends of US\$0.0125 per common share. The first quarterly dividend of US\$0.0125 per common share will be payable on October 15, 2021 to Sailfish shareholders of record as of the close of business on September 30, 2021. The dividend policy will be reviewed on an annual basis.

Cesar Gonzalez, Chief Executive Officer of Sailfish states that, "Sailfish has always been focused on returning capital to shareholders. Since July 2019, the Company has repurchased approximately 7.6 million shares as part of three consecutive normal course issuer bids. Following the recent monetization of the NSR on Tocantinzinho and the declaration of commercial production at San Albino, where the Company has a gold stream equivalent to a 3% NSR, Sailfish is proud to be declaring an inaugural quarterly dividend. At today's prices the dividend represents an approximately 5% yield on an annual basis, which is well above industry standards and consistent with the Company's focus of returning capital to shareholders."
